REMARKS

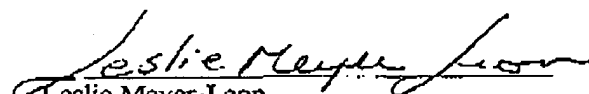

Applicants hereby elect the invention of Group I, claims 1-14 (drawn to a tablet comprising: (i) a core containing sumatriptan, and (ii) a rapid release mantle, free of sumatriptan, wherein the mantle entirely surrounds the core) for prosecution in the present application, without traverse.

Claims 1-27 are pending in the application. With entry of this election, claims 1-14 are subject to examination and claims 15-27 are withdrawn. All of the limitations of claim 1 are incorporated into dependent claim 15 and claims 16-27 depending therefrom. Accordingly, applicant respectfully reserves the right to rejoin Group II, claims 15-27 (drawn to a method of producing a tablet according to claim 1) in the event that the composition of claim 1 is found to be allowable.

CONCLUSION

Applicant submits that the application is in condition for allowance. Please charge any outstanding fees or credit any overpayments to Deposit Account No. 50-1895, Ref. No. 0765-005US1.

Respectfully submitted:
